| | Preferred Brand | \$113 copay |
| | Non-Preferred Brand | \$238 copay |

1 Network level Maximum Out-of-Pocket includes deductible and coinsurance and flat dollar copayments.

2 Preventive services include evidence-based services that have a rating of “A” or “B” in the United States Preventive Services Task Force, routine immunizations, and other screenings, as provided for in the Patient Protection and Affordable Care Act.

3 Generic Incentive Applies

If a brand-name drug is requested when a generic equivalent exists, the member pays the brand-name copay plus the difference between to cost of the generic and the brand-name drug. Will not apply to maximum out-of-pocket

Home Delivery Incentive Applies

Retail drug copays apply for the first three fills in 180 days. Starting on the 4th fill, Copay amount doubles unless mail order is used.

Specialty Drugs

Drugs and biologicals (specialty drugs and therapeutic injections). Members must use one of our dedicated pharmacies. Special rules apply to oral chemotherapy prescription drugs. The certificate booklet will have more information. Certain specialty drugs are part of a Specialty Prescription Drug Copay Offset program (SaveOn) where they are considered non-essential health benefits and therefore do not apply to the maximum out-of-pocket. They will also be subject to higher cost-share if the member does not participate in SaveOn. Once enrolled in the Medical Mutual health plan, call 1-800-683-1074 to enroll in copay assistance, with SaveOnSP monitoring, so that your responsibility could be as low as \$0

Benefits will be administered by Medical Mutual of Ohio. Benefits will be determined based on Medical Mutual's medical and administrative policies and procedures. This document is only a partial listing of benefits. This is not a contract of insurance. Only an officer of Medical Mutual may agree, orally or in writing, to change the benefits listed here. The contract or certificate will contain the complete listing of covered services. In certain instances, Medical Mutual's payment may not equal the percentage listed above. However, the covered person's coinsurance will always be based on the lesser of the provider's billed charges or Medical Mutual's negotiated rate with the provider.
