<sup>4</sup>**Generic Incentive:** If a brand-name drug is requested when a generic equivalent exists, the member pays the brand-name copay plus the difference between the cost of the generic drug and the brand-name drug.

**Mail-Order Requirement:** Prescriptions must be filled by mail-order (when available) after the third fill within 180 days. Otherwise, the member pays the full cost of the drug.

**Specialty High-Cost Drugs** - Drugs and biologicals (specialty drugs and therapeutic injections). Members must use one of our dedicated pharmacies. Special rules apply to oral chemotherapy prescription drugs. The certificate booklet will have more information. Certain specialty drugs are part of a Specialty Prescription Drug Copay Offset program (SaveOn) where they are considered non-essential health benefits and therefore do not apply to the out-of-pocket maximum. They will also be subject to higher cost-share if the member does not participate in SaveOn.

For a list of Specialty drugs that are potentially eligible for \$0 copay, visit [MedMutual.com/SaveOnSPBPublic](http://MedMutual.com/SaveOnSPBPublic)

The proposed course of treatment for organ/tissue transplants must be pre-determined and approved by a Medical Mutual case manager (except for corneal transplants.) Failure to contact the case manager prior to the proposed course of treatment (including the evaluation) will result in a significant monetary penalty. Refer to your certificate for details.

**Benefits will be administered by Medical Mutual of Ohio. Benefits will be determined based on Medical Mutual's medical and administrative policies and procedures. This document is only a partial listing of benefits. This is not a contract of insurance. Only an officer of Medical Mutual may agree, orally or in writing, to change the benefits listed here. The contract or certificate will contain the complete listing of covered services. In certain instances, Medical Mutual's payment may not equal the percentage listed above. However, the covered person's coinsurance will always be based on the lesser of the provider's billed charges or Medical Mutual's negotiated rate with the provider.**
