

MedMutual Employer Dashboard (MED)

MED is an enhanced website designed to improve your experience managing group benefits, saving you time and improving your accuracy.

MED offers:

- Real-time access to your group's data
- Faster processing of updates and changes
- Addition or removal of dependents
- Simplified workflows that reduce manual steps
- A single platform for managing your group health plan
- Search for claims by policyholder
- Access invoicing details and available payment details
- Order or download ID cards as needed
- View a complete employee roster in one centralized location
- Review a clear, detailed view of all sections associated with a group's benefit plan

Getting started with MED is easy. Visit employer.medmutual.com to log in or register for an account.
