

MedMutual Pet™

A Pet Wellness Program for the COSE Benefit Plan

We treat our pets like family. As a COSE Benefit Plan member, you have access to MedMutual Pet – powered by Wagmo – so you can relax knowing the wellness services your dog or cat needs are covered under your health plan. As a part of this program, you'll get reimbursed up to \$350 for routine pet care like wellness exams, vaccines, blood work and more. You'll also have the flexibility to use any veterinarian you choose, while having no restrictions around your pet's age, breed or pre-existing conditions.

When you sign up for MedMutual Pet, you can get reimbursed for the following services:

Routine Care	Amount
Routine Exam (1 per year) Includes annual wellness and physical exams	Up to \$100
Vaccines (2 per year) Includes routine vaccines like rabies, as well as booster shots	Up to \$100
Routine Blood Work (1 per year) Standard blood panels, CBC and more	Up to \$100
Fecal Test (1 per year)	Up to \$50
Total Value	\$350

Get Started Today

- Log in to your My Health Plan account at [MedMutual.com/Member](https://www.MedMutual.com/Member).
- Under the Benefits & Coverage tab, select MedMutual Pet, and click through to Wagmo's website to enroll.
- Only one pet is eligible per enrolled employee.

Note: Effective May 1, 2023, this offering is available to new COSE Benefit Plan groups, or upon renewal for current COSE Benefit Plan groups.

If you have questions about MedMutual Pet, please contact your Medical Mutual Sales representative or broker.
