

Premium Split Reporting Survey

A Requirement of Section 204 of the Consolidated Appropriations Act (CAA), 2021

Section 204 of the Consolidated Appropriations Act (CAA), 2021, requires insurers to submit certain data related to premiums, claims, and prescription drug costs to the federal government. One required data element is the split of premium paid between the employer and the employee.

How We Will Collect This Information

We will collect this information each year during the annual renewal period using a quick survey that you can complete using your smartphone or computer. Please note that this information will be shared in aggregate with the federal government. The information you share for your group will not be shared individually.
